

What happens if you must be absent from one of the four scheduled Friday quizzes?

1. You must establish the excused absence with the instructor in a timely fashion, preferably in advance.
2. If the excuse is granted then you will be allowed to replace the grade on the missed quiz with your grade on a make-up quiz that will be given on April 6 (with the final exam.) The topics of the make-up quiz will be selected from the entire course and will be the same questions for all persons who qualify to take the quiz.
