

Journal of Statistical Distributions and Applications

Thematic Series on
International Conference on Statistical Distributions
and Applications, ICOSDA 2013

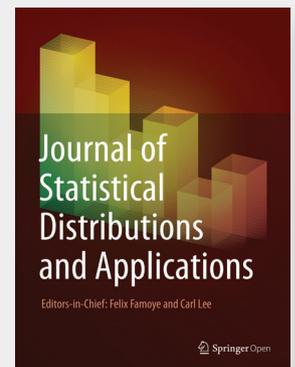

Edited by: Prof Felix Famoye and Prof Carl Lee

This special series originates from the 2013 International Conference on Statistical Distributions and Applications which was organized by the Department of Mathematics, Central Michigan University, Mt. Pleasant and held in October 2013 in Mt. Pleasant, Michigan, USA. In this thematic series, the Journal of Statistical Distributions and Applications publishes only contributions presented at the conference and accepted after going through the journal's peer review process.

Submission Instructions:

Please send your paper for consideration as soon as it is ready. The final deadline is February 28, 2014.

Before submission, authors should carefully read over the Instructions for Authors, which are located at www.jsdajournal.com/authors/instructions. Prospective authors should submit an electronic copy of their complete manuscript through the SpringerOpen submission system at www.jsdajournal.com/manuscript according to the submission schedule. They should specify the manuscript as a submission to the JSDA: 2013 ICOSDA in the cover letter. All submissions will undergo initial screening by the Guest Editors for fit within the Thematic Series and prospects for successfully negotiating the review process.
