

Your Name:

This HW form will be evaluated only as Submitted/Not Submitted. Submit this form even if you were not able to finish the proof or assignment. What counts is **effort** and **honest answers**.

1. Were you able to finish the activity? (Yes means that you understand the proof and would be able to explain its steps.)
- YES
NO

2. If the activity was scored and you answered YES in the previous question, what was your score at the time when you realized you understand the ideas of the proof?

3. If you answered NO in question #1, provide a brief explanation and write questions or comments you have. Of course, you may write questions or comments even if you were able to finish the activity.
